November 9, 2022

To  
**Dr. Suresh Babu Naidu Krishna**  
Research Fellow,  
Directorate for Research and Postgraduate Support,  
Durban University of Technology  
Po Box 1334, Durban, South Africa,

Subject: Invitation to deliver an invited talk at ICRABES – reg.

**Dear Dr. Suresh Babu Naidu Krishna ,**

We are glad to write to you about the International Conference on **Recent Advances in Biotechnology and Environmental Science** (ICRABES) <https://vit.ac.in/ICRABES/>, which will be held at VIT Vellore, India during December 16-18, 2022. Several eminent speakers from all over the world would deliver keynote and invited lectures apart from some 200+ posters presentation by contributor authors. We expect some 500 delegates to attend it. It is envisaged that this conference would not only provide a unique platform to the participants from industries and academic institutions to share their thoughts and views to pave the way to develop possible linkages among them, but also serve the purpose of global networking among them and help in creating a nucleus of interface research.

It's our pleasure to invite you to deliver an invited talk in the International Conference on **Recent Advances in Biotechnology and Environmental Science**.

Towards this, we would be glad to provide you accommodation at VIT Guest House, meals, and cover the registration fee; also, if you arrive at Chennai airport, road transport from the airport to VIT and back would be arranged by us.

Looking forward to meeting you at the conference.

Sincerely,

Dr KM Gothandam  
Convener, ICRABES

Prof K R S Sambasiva Rao  
Conference Chair &  
General Secretary ABAP
